- Glitter (gold, silver, and hot pink)
- Confetti
- Star Cookie cutters (optional)
- Parchment paper or wax paper (or another safe surface)

## How to Make Celebration Playdough

Start by making your homemade playdough.

1. Combine the flour, salt, cream of tartar, vegetable oil and liquid (water and/or liquid watercolours) in a saucepan.
2. Stir continuously over medium-low heat. It will seem a bit soupy at first. After a few minutes you will notice it start to thicken.
3. Once the dough becomes a fairly stiff ball, dump it onto a sheet of wax paper or other safe surface for kneading.
4. When it's cool enough to touch, knead the dough until it's smooth.

*Now it's time to add the colour!*

5. Knead your glitter into the dough.

Then start by rolling out the playdough and using the star / heart cookie cutters to make stars or hearts as the children wish
