

## **Sound Scavenger Hunt Listening Activity for Kids**

A sounds scavenger hunt is a fun way to get outside and play while also developing your child's listening skills and observation skills!

### **Sound Hunt Materials Needed:**

- paper
- pencils or markers
- clipboard (optional)
- Sound Hunt printable (optional)

### **How to Set Up a Sound Hunt:**

1. Go outside in your neighbourhood or to a park/outdoor space.
2. Give each child a paper, marker / pencil
3. Providing clipboard is optional
4. Have everyone find a spot on the grass or somewhere in nature and just listen for what they can hear.

5. Younger pre-schoolers/toddlers can work together with an adult or big sibling. Adult can write while the toddler/pre-schooler tells them what they hear.

6. Write/draw the things you hear on your paper to create your own hunt page.
